Comments for Public Posting: No more public/homeless housing! Wilmington is not your dumping round! Understand that we have a voice and it WILL be heard! All Wilmington citizens OPPOSE the all housing sites that want to be built! We are over populated and cannot keep getting pushed over!!!!

Comments for Public Posting: I am a 3rd generation home owner in Wilmington, CA Heart of the Harbor and I am apposed all the new housing and homeless projects. Wilmington already has maximized its contributions of helping the homeless community. Adding more of these projects does not help the community in any way. I demand that all the neighboring communities contribute in assisting with the homeless crisis rather than adding on to a struggling neighborhood such as Wilmington. Crime and homicide is on the rise in Wilmington and a youth center that was proposed before should still be on the table and developed with the community.

Comments for Public Posting: If there were 6 winners of the challenge why is Wilmington getting 3 projects? The city needs to stop flooding Wilmington with the homeless. You have already made 1/3 of our community an RV parking lot with LAMC 85.02. You have a Bridge home that never gets filled. You already approved permanent supportive housing on Deepwater. You have done nothing about Redondo, Hermosa or Manhattan sending their homeless here. We already have a Navigation Center to store the belongings for the homeless. STOP! ENOUGH IS ENOUGH! WE HAVE DONE ENOUGH! our community has done enough
