Comments for Public Posting: I am adamantly opposed to the City Council taking any action which further infringes upon our rights as citizens of this state and of this nation. The entire handling by the governor of this state of the covid outbreak has been nothing but tyrannical, disastrous and imperious- From the beginning, the edicts have only served to destroy this state- closing businesses- closing schools yet, encouraging "protests" (rioting and looting) yet demanding churches shutter- Demanding people wear masks (for their supposed safety) yet releasing felons out into our communities while defunding police. Demanding restaurants close- to "protect us" then placing Covid patients in nursing homes- where our most vulnerable people live- despicable- This plan to mandate masks, supposedly to protect people, protects no one. This dictatorial, nonsensical "Because we can" mentality by the government- and this council smacks of Communism and tyranny- Enough is enough- The graphs have been wrong, Dr Fauci has been wrong, the assumptions and projections have been wrong- in the meantime- our economy is destroyed, people are losing their homes, people are standing in bread lines- all for a virus with a 99+% survival rate- I have news for you- we will NEVER be free of this virus- it is established in our country- and around the world- and we need to deal with it sooner than later- let's pretend this is the H1N1 or SARS or MERS- and do what we did then- do you remember what we did then? That's right- NOTHING- Just like the flu- this virus will come round again and again- and the sooner we deal with it- the better- STOP THE TYRANNY- STOP THE NANNY STATE- STOP THE CROWD SHAMING- THIS IS AMERICA- STOP THIS ENTIRE IDIOTIC PLAN BEFORE THIS STATE IS BEYOND SAVING-
