**Comments for Public Posting:** Councilmembers, I support an ordinance that would impose a fine for those who do not comply with the face covering order, as long as face coverings are supplied to those for whom buying them would be a financial burden. A situation where someone who is non-compliant for financial reasons has to pay a fine because of such non-compliance must be avoided. Also, it is not uncommon to see someone with a face covering over their mouth only. Perhaps signage and other materials should explicitly state face coverings need to be worn over both the mouth and nose. Thank you, Ann Dorsey Northridge, CA 91325
