Comments for Public Posting: My name is Eleanor Ramos and I'm a proud union member of Unite HERE. I have worked as a bartender and a server for over 23 years at LAX and was laid off due to the Covid 19 crisis. I need my health insurance because I can barely pay my rent and without insurance at this time is perilous for all of us and burdensome for our country too. I don't know how long I will be laid off for but I do know that I would need my healthcare the whole time. I know my company Delaware North will need a break from the rent to survive but us workers need relief as well. Please support us by requiring my company to extend my health insurance until August. Thank you so much for your time. Eleanor Ramos

Yo depende en mi seguro de salud para mantenerme saludable y tengo 4 de mis hijos en mi plan. Si fuéramos a perder nuestra aseguranza no podria cubrir los billes medicos porque es muy caro. Por favor extienden nuestro seguro de salud en cambio de ayudar a las companias con su renta. Gracias por su apoyo.
