**Comments for Public Posting:** To Whom It May Concern, I am submitting this statement in support of extending my health insurance for Crew of California (Rock & Brews) Terminal 5 LAX. While the company is receiving rent relief during these trying times, I am asking that you take into consideration that we all have a fixed income, and it is vital that we keep our health insurance for our sake. Recently, I had an emergency appointment with oral surgeon to remove a wisdom tooth that caused an infection which lead to a severe pain in my neck, ear, jaw and head. I am still trying to recover. Please, I ask of you to take into consideration the lives of the people who help stimulate the LAX economy. Thank you.
