Comments for Public Posting: If you want to talk about COVID impacts, talk about how all these flights are coming into LA, importing new virus infections. Worst of all is Van Nuys Airport, which has contributed to such pain and suffering in this community it's unbelievable. Close Van Nuys airport until you can figure out what the hell is going on. We keep breaking records in cases and Van Nuys is a hotspot. It's the airport. CLOSE VNY! Show that you care about people, not profits.
