Comments for Public Posting: 20-0600-S28 Item #7 To the Bureau of Street Services: Please prioritize planting street trees in the underserved communities first. This is the cluster of districts around Downtown LA. Districts #1 and 14 Downtown, and #8, 9, 10, south of the 10 freeway. Studies have shown that shade trees in the parkways reduce pollution and safer neighborhoods. Allocate some of the funds from LAPD to planting street trees in these communities.
