Summary: The Greater Valley Glen Council supports creation of a ballot measure that would eliminate the ability of the City Council to overwrite the actions of the Planning Commission and align the City Council's oversight of the planning commission decisions with the authority and processes in place for all other City commissions, and to amend procedures, processes and code sections to reduce the discretionary land use powers currently exercised by the City Council. This Council File's reference to the November 2020 ballot should be revised to recommend an appropriate future election date.
