Summary: Neighborhood Council Valley Village opposed Redistricting Map K-2.5. Our motion is below: NCVV opposes the configuration of Valley Village on map K2.5. We urge that the Redistricting Commission place Valley Village in a council district with North Hollywood and other longstanding adjacent communities of interest such as Studio City and Valley Glen who share issues important to our stakeholders such as our North Hollywood/Valley Village Community Plan, the Red and Orange Lines, similar businesses and commerce, core public schools, and the robust southeast San Fernando Valley Arts Community. All city services for our community (fire, police, DWP, Library) and services for Valley Village/North Hollywood Park originate in North Hollywood. We have worked collaboratively with adjacent communities to address quality of life issues, especially in our response to the unhoused, and with our neighboring communities we represent an ethnically diverse area within the City of LA. Therefore, for these and many other sound reasons Valley Village should remain joined with our neighboring communities.
