SUBJECT: **FOR Redistricting Draft Map K-2.5**

This is to inform you on October 6, 2021, the Chatsworth Neighborhood Council voted *unanimously* (17 votes) to support the most recent redistricting map, Draft Map K-2.5.

Our main concerns were that the Chatsworth Neighborhood Council Boundary remains intact, that we remain in one Council District, specifically CD12, and that the entire Chatsworth Nature Preserve also remains in Council District 12.

We have followed the redistricting process since July 2021 and have paid close attention to all of the revisions. Map K-2.5 fits well within the communities we have historically shared common interests with as well as maintains the natural boundaries we highly value.

We thank the LACCRC for their hard work during this process,

Sincerely,

Jeff Hammond
CNC President
