Item Number:

Summary: Encino Neighborhood Council supplemental Community Impact Statement in favor of Map K 2.5 Amendment 1, as modified to include the Sepulveda Basin in the same proposed Los Angeles City Council District as the rest of Encino. Please see attachment detailing reasons for the updated submittal and description of board discussion of the item.

**Encino Neighborhood Council supplemental Community Impact Statement in favor of Map K 2.5
Amendment 1, as modified to include the Sepulveda Basin in the same proposed Los Angeles City
Council District as the rest of Encino**

A Community Impact Statement (CIS) was filed on September 23, 2021 stating that the Encino Neighborhood Council (ENC) and Community, being defined geographically as Mulholland Drive on the South, Victory Boulevard to the North, the 405 San Diego Freeway to the East, and Lindley Avenue to the West, kindly requests that the Los Angeles City Council Redistricting Commission take the following into account for redistricting: When given the choice between Redistricting Partners plans (maps) B2 and C2, the Encino Neighborhood Council clearly prefers Map Concept (Plan) C2 for Encino.

We note that there was discussion of the various options among the ENC board members at the meeting. Two members voted against the C option, stating that they preferred to be in an East-leaning district, and four voted to abstain, feeling they did not have sufficient information, and the motion was approved by a majority of 14 members.

Subsequent to the release of Maps A through D, Maps designated E through L were released by the LACCRC, including "Corrected K" and K-2. Map Plans J and K, with respect to Encino, incorporate the same boundaries and general geographic placement as Map Plan C2. Map Plans I, J, and K all incorporate some modifications to communities other than Encino, which are not addressed by the ENC.

The ENC filed a supplement to its original CIS to make clear the connection between the originally preferred plan, C2, and its successors J, K, and in part "K Corrected" and K2 (both "corrected K" and K2 separated the Sepulveda Basin from Encino, thus dividing its Neighborhood Council territory). The supplement reiterated the preference of the ENC for Plan C2, and that Encino's boundaries are defined geographically as Mulholland Drive on the South, Victory Boulevard to the North, the 405 San Diego Freeway to the East, and Lindley Avenue to the West. The supplement further noted that the Sepulveda Basin is clearly included in Encino NC's area and ought to be included in the same Council District as the rest of Encino. Kindly refer to the included Encino Neighborhood Council certified map.

At the LACCRC meeting on October 13, 2021, the LACCRC made a change to Map K 2.5 (Amendment 1) placing the Sepulveda Basin in the same proposed City Council District (3) as Encino, and thus incorporating exactly the same boundaries and general geographic placement as Map Plan C2 with respect to Encino. It was noted that this change was the result of significant amounts of public comment requesting that the Sepulveda Basin be included in the same district as Encino and we thank the Commission for doing so.
