Summary: The Board of the Studio City Neighborhood Council (SCNC) OPPOSES the proposed redistricting map, K2.5, version 4, by the Los Angeles City Council Redistricting Commission. Stakeholders deserve to be represented by the Councilmember they voted for. We urge the commission to recognize the longstanding communal connections, which include, but are not limited to, shared schools, a shared police division, a shared fire battalion, and shared social service connections with our existing Council Office on behalf of our unhoused neighbors. We, therefore, request a map that includes Studio City, North Hollywood, Toluca Lake, Valley Glen, Valley Village, Cahuenga Pass, and Barham. This map suggested preserves our social and economic diversity.
