Comments for Public Posting: I oppose any division of Woodland Hills or Warner Center. And, I think Pierce College should remain with them as part of District 3. We are a cohesive community and splitting any of these parts would damage our unified voice and identity.

Comments for Public Posting: I live in Woodland Hills and I support splitting the Warner center with the new district that Canoga park is in. These people are my neighbors. I worship with them. I think it is wrong that my councilman made promises to them about their say in Warner center and now he is trying to leave them high and dry. I have watched this whole redistricting process appalled at the behavior I have witnessed. Y'all are trying to leave people who have less than us with nothing. It's not right and I need to speak my mind. Furthermore everyone at my church who attends Pierce or attended pierce lives in canoga or Winnetka. It makes more sense to be an asset to their community. We have so much to be blessed by here. And we need to remember that.

Comments for Public Posting: I support keeping Pierce College with the 4-2 district. Pierce college has a 50% Latino enrollment and serves more of the neighborhoods in the 4-2 area. The 4-2 area is significantly lacking in assets that had once been part of their district. Frankly the map itself is terrible and gerrymandered. But given the refusal to move on these issues, the city council must seek equity for the districts.
