Comments for Public Posting: I commenting regarding redistricting and want the council to know that our community (near Pico and Sepulveda) supports Map K2.5 and the Commission's work. Our Westwood South (WSSM) community remains in CD 5 under President Martinez's proposed map and we are very appreciative of that. However, the balance of the Westside NC does not. It is important to bring them back into CD 5 with its communities of interest.
