Comments for Public Posting: I live in Miracle Mile and want to bring to your attention a small tweak that was accidentally left out of the redistricting map. The Miracle Mile HPOZ is the only HPOZ in the city to span two council districts. CD10 has agreed to move the small stranded portion of the HPOZ into CD5, and CD5 has agreed to accept it. Please allow for this fix to move forward. *All of Miracle Mile HPOZ needs to be in CD5 - from Fairfax east to La Brea and from Wilshire south to San Vicente.

Comments for Public Posting: I live in Miracle Mile and am commenting about a small tweak that was accidentally left out of the recent redistricting map. The Miracle Mile HPOZ is the only HPOZ in the city to span two council districts. CD10 and CD5. I live in CD 10 and believe that my little area of CD 10 would be better served if we were a part of the Mirclle Mile HPOZ that is represented by CD 5. We have requested to be included in the CD 5 area represented by Council Member Paul Koretz and he has agreed to move our small stranded portion of the HPOZ into CD5. Please allow for this fix to move forward.
