Good afternoon,

I hope you are all doing well as we continue pushing through lockdown.

While I am excited to see a slight turn in position on police funding, the \$150 million reduction to LAPD budget was underwhelming to say the least. While I understand that things like these cannot happen overnight, it is important that we continue to see change in Los Angeles and further ideation on alternatives to policing in our neighborhoods. For that matter, I would like to contribute to further alternatives to reduce policing in our neighborhoods, as the bulk of your LA constituents are tired of the ruling we have seen this far.

Hello,

My name is [insert name]. I am a resident of Los Angeles County and I am emailing to demand the restructuring of the Los Angeles city budget, so as to prioritize more social services for communities, and to drastically minimize spending on Police.

I demand of the mayor, controller, and all city council members to prove their love and dedication to the people of their city and reallocate funds to directly benefit those in need.

It is absolutely absurd that at \$1,857,330,549, the police budget is larger than the allocations to the fire department, Office of Emergency Management, Department of Transportation, Bureau of Street Services, and the Housing and Community Investment Agency combined.

There are 58,936 DOCUMENTED houseless people in Los Angeles. There are healthcare workers without proper equipment. More than 30% of Los Angeles County residents have filed for unemployment. Defunding the police and restructuring the budget is an absolute necessity now more than ever.

While LAPD has more funding than it knows what to do with, there are communities who desperately need funding and every day they don't receive it their quality of life worsens. Thousands have died who did not need to. You have the ability to change this, so do it.

Sincerely,
[your name]
