Comments for Public Posting: Please release all vehicles impounded during the recent protests without requiring payments from vehicle owners whose cars were towed. This curfew was a violation of our right to protest and clearly an excuse for police to violently arrest hundreds of people for doing NOTHING BUT EXIST. The curfew was lifted as soon as the ACLU announced their lawsuit.

Comments for Public Posting: Please let me know what further laws I can violate in advance. Because we all know if the massive crowds were Pro Police, Or Pro America these vehicles would not be released without payment. If you all didn't have double standards, you'd have NO standards at all
