**Comments for Public Posting:** I'll gladly say it a third time, and in fact, I'll say it as many times as it takes for it to sink in: Defund the police. WE DO NOT WANT REFORM. Reform does not work. Reform provides the police with MORE funding. We HAVE NOT ASKED FOR REFORM. We are asking you--indeed, we, as your constituents, the ones who elected you, are telling you--to DEFUND THE POLICE.
