**Comments for Public Posting:** I strongly endorse FULL funding for the Civil and Human Rights Department. Los Angeles must help lead the way on rectifying past discriminatory practices across all departments and building a new civic paradigm that promotes equity, justice and inclusion.

**Comments for Public Posting:** As a member of Black Lives Matter-Los Angeles and the National Council of Negro Women (NCNW)- View Park Section, I ask that the Council fully fund the 12 new positions for the new Department of Civil and Human Rights, as set forth in the resolution. Without full funding, the new Department will be hamstrung and the new Executive Director and the City will not be able to follow through on their commitments.
