Comments for Public Posting: Hello, I want to express my support for the Civil and Human Rights Department under the leadership of Capri Maddox. It is a significant step forward to address discrimination, level the playing field, and promote equity and empowerment. I support the city council's historic decision to establish the Civil and Human Rights Department and to provide it with the staff and funding needed to impact a real change for our communities representing all racial, ethnic, religious, gender, LGBTQ, immigrant and other disadvantaged groups. In the wake of BLM movements and the hate-filled vitriol of white supremacists, we should be emboldened to pursue an agenda of inclusion, and equity. We need to show resilience and strength as a community.
