**Comments for Public Posting:** We love slow streets. We see our neighbors biking. We are safer crossing the streets. We walk around the neighborhood in peace. We bike without fear. We want the city to love us as much as we love it. We feel like the city cares about us a little more now. Our neighbor's cat died two weeks before slow streets. A car running a stop sign killed Milo. Milo is in our neighbors' heart. We believe that slow streets is more helpful than you realize. We have less cars running thru stop signs. More cats and dog are safe. Let's keep slow streets permanent. Let's add permanent barricades and signage. Let's keep our streets safer. We would like stronger signage. We'd permanent structures. Thank you.
