Comments for Public Posting: Hello! This is a message in support of continuing the 'Slow Streets' initiative that has been piloted since the beginning of the pandemic. It has had a tremendous effect on our street (Moore) which houses a very busy park and as a result, many families and kids. 'Slow Streets' is the perfect "meet in the middle" initiative that allows cars to continue use while also creating an environment that is friendly to pedestrian (inc. bike) traffic. It has made neighborhoods out of our streets. Thank you.
