Hello, I live in Culver city. I love the idea of permanent slow streets in the city! I am tired of our residential streets being used for cut through traffic and would love to see slow streets become the norm in Los Angeles.

Without Wax,  
Colin Arnott

Hi There,

My name is Armando and I want to support the Slow streets program. I love how I am able to walk around and ride my bicycle in a much safer way than before. I see so many more people building community outside now that they feel safe outside.

Please support the slow streets!

Armando Carvalho

Hello,

I live in East Hollywood. I love the idea of permanent slow streets in the city! I am hoping that my street, N Serrano Ave, will be approved for a slow street soon. I am tired of our residential streets being used for cut through traffic and would love to see slow streets become the norm in Los Angeles.

Thank you,

Kyle Kramer

Hello,

I live in Melrose Village. I love the idea of permanent slow streets in the city! As a father of a young child the slow streets have greatly improved our lives already. We ride bikes and scooters on the slow street near our house basically every day. I am also tired of our residential streets being used for cut through traffic and would love to see slow streets become the norm in Los Angeles.

Thank you,

David Canter

Hello,

I live in Larchmont. I love the idea of permanent slow streets in the city! I am tired of our residential streets being used for cut through traffic and would love to see slow streets become the norm in Los Angeles.

And please please please — we need protected bike lanes everywhere!

Thank you,

Lindsay Sturman

Hello,

I'm a board member of the North Westwood Neighborhood Council and chair of its Transportation and Safety Committee. I strongly support the concept of permanent slow streets in the city! I am tired of our residential streets being used for cut through traffic and would love to see slow streets become the norm in Los Angeles.

Thank you,

Grayson Peters
