Comments for Public Posting: Housing advocate that supports TINY HOMES NOT SHEDS! It is truly a disgrace to see the city championing hard for SHEDS that can be picked up at Home Depot! Seriously, when we build tiny homes, please do it CORRECTLY!!! Colonizers stole the homes of so many and all the city council can think of is bringing back SHEDS for unhoused residents to live in?? Tiny homes have bathrooms and small kitchens within them, use the public kitchens and bathrooms for dwellers that do not get housing right away!! Please, please,, please, stop wasting money on sheds and build tiny homes correctly in supportive and affordable communities! We know that INTERIM housing can be long-term, shelter living can be long-term, make these tiny homes comfortable in case we need to get long-term use out of them! SAY NO TO SHEDS that can be picked up at Home Depot!! Seriously, please! Offering BLACK RESIDENTS WHO ARE OWED REPARATIONS A SHED TO LIVE IN IS OFFENSIVE!!!!!!!!!!!!!!!!!!!!!!
