Comments for Public Posting: Putting homeless housing near a school is insane. SPY and VHC and mike bonin put bridge housing in the middle of our neighborhood and has absolutely destroyed it. Drug addicts and bums are building encampments, fighting, attacking my neighbors, yelling, screaming and trashing our neighborhood. the LAPD and fire department are there daily. if you vote for this, you are putting children at risk and we will go after you for corruption or gross negligence. it has to be one of the other. It's decisions like these that will make people vote conservative. I voted for Garcetti, Obama, prop 47, HHHH. I'll be voting conservative for the foreseeable future, thanks to decisions like putting a homeless shelter in a neighborhood and near a school. I guess black lives matter unless they are child going to school near a bunch of drug addicts and mentally ill. want to see what SPY and VCH does to a neighborhood, come check out 100 sunset at main street, in Venice.

Comments for Public Posting: THE CITY OF LOS ANGELES IS BROKE. ALL CONTRACTS OR EXCLUSIVE NEGOTIATING AGREEMENTS WITH DEVELOPERS FOR LOW INCOME HOUSING AND PERMANENT SUPPORTIVE HOUSING SHOULD BE IMMEDIATELY CANCELLED UNDER A FORCE MAJEURE SITUATION DUE TO COVID-19. LOWER COSTS MODELS OF BUILDING MUST BE SOUGHT. Building at a cost of \$1,100+/sq. ft. is outrageous. The city of Los Angeles must cancel this blatantly expensive project and seek lower cost options. There are better methods such as shared housing, tiny homes, container homes, and the SRO method of Michael Weinstein at Healthy Housing Foundation. You must be financially responsible with our tax dollars and you must show a higher degree of intelligence and wisdom during this extreme financial crisis we are all in.
