Comments for Public Posting: Please do not allow this project. Both service providers involved are unscrupulous and torment the community. SPY is the worst neighbors in the world and the horrible manager Alison is a two faced con just like Becky Dennison. VCH and SPY do not follow the rules and this is just another pay to play scam pushed through by Mike Bonin.

Comments for Public Posting: VCH and SPY do not deserve this property or to be in business. Besides the non stop crime spy refuses to address they intentionally don't house local kids and bring people in from south LA taking services away from people already here. VCH is the biggest scam in the world, Becky Dennison is a fraud.

Comments for Public Posting: Please do NOT allow this project to go through. Both businesses are not responsible and don't follow any rules or laws. It's a constant nightmare with them there now and this will be much worse. You might as well flush the money down the toilet and burn all our houses down.

Comments for Public Posting: Please don't let this project get built. SPY and VCH have proven over and over they can not handle this and now have places everywhere. Literally every corner of Venice is terrorized by them. It's not even the homeless people's fault, there's no rules or consequences and people like Becky Dennison and Alison curse you out for asking for help stopping the behavior. PLEASE DO NOT KILL OUR NEIGHBORHOOD. PICK A DIFFERENT SERVICE PROVIDER AND NOBODY WOULD CARE! NO VCH NO SPY!

Comments for Public Posting: Please do not allow these people to build this and kick the current people out. Our entire town is covered with housing mentally ill people who can collect a check for Becky Dennison. Build all the housing you want, just keep it somewhat normal since it's a neighborhood. There's schools, church's and single family homes that will be tortured if this goes in. All to house 10 people who won't stay here long term. This housing model is a proven failure and creates homelessness by taking people's will away.

Comments for Public Posting: Nobody in our neighborhood wants this place The current people treat everyone in the area like we don't matter and according to all their reviews, they abuse children and don't actually help homeless kids, just kids running from gangs that bring more crime. VCH is the biggest joke ever. Soon as Bonin is gone that lady will be in prison.

Comments for Public Posting: Please do not allow SPY and VCH to continue to destroy our community. There's not one of their properties that don't have the police there 10 times a day and nothing ever changes. They refuse to actually care about anyone and are only in this for the money. Becky and Alison are crooks and let employees like Linda lucks live in units free taking the away from homeless people.

Comments for Public Posting: Please replace SPY and VCH. They have proven to be a failure at this, more like cons. I would approve of a project like this here if it wasn't SPY or VCH. Everything wrong with these places are them and no they can't change, it's been years and they're only worse. Please do not allow this project here. Let them build it away from the schools and homes that have to deal with the insanity every single day. Jim murez plays reach around with mark Ryavec.
