Comments for Public Posting: Since I've been living at SoLa Rentals they have been nothing but excellent to me. This year they gave me and my daughter the opportunity to move from a studio apartment to a one bedroom. This is the first time we having my own place because prior to that I was homeless. Since the Covid came about I lost my job which meant I was not going to be able to pay my rent. SoLa rental worked with me and is still working with me to make sure that I don't become homeless again. They introduced me to a rental relief program which I was approved for and that help me cover half of my rent. If there is someone I know that is looking for a place I would definitely recommend SoLa Rentals . I plan to stay with the company for a very long time and if I make it to move up and get a two bedroom with me and my daughter I will most definitely do that. Thank you for everything!!
