Comments for Public Posting: Madame President and members of the Committee: My name is Linda Lucks speaking on behalf of Venice Community Housing, a 32 year old nonprofit developer of low income housing and provider of social services to the area's low income residents. We ask you to revisit and support the previous motion as it is critical for communities in this critical time. The funds available NOW are the ONLY way to move forward sustainably to protect existing low income housing and allow the creation of new housing and the people who desperately need it. Thank you very much!
