**Comments for Public Posting:** Passing CF 20-0990 is vital for the protection, safety and equitable treatment of all who participate in the Neighborhood Council System. All Neighborhood Councils receive \$30,000 of taxpayer/stakeholder dollars annually, which are from taxpayers of all races, genders, gender identities, religions and ages. All Stakeholders and NC Board and Committee members must be able to participate without bias, intimidation, hostility, harassment, and threats of bodily injury (mental and physical injury).
