Comments for Public Posting: Dear Councilmembers and Mayor Bass: As a small restaurant owner, I firmly support the Al Fresco Ordinance (CF 20-1074-S4) for its potential to support small food businesses and help revitalize Los Angeles' urban spaces. However, I strongly believe that certain amendments, specifically revisions to LADCP's Recommendation #2 on mandatory parking, are critical for its success. As written, Recommendation #2 would significantly hinder the feasibility of Al Fresco projects, especially for small businesses, while posing safety risks and conflicting with the principles of the Americans with Disabilities Act. I urge you to reconsider Recommendation #2. Thank you.
