

MOTION

16015 Sherman, L.P. (Sponsor), a California limited partnership, has requested that the City of Los Angeles (City) through the Housing and Community Investment Department (HCID) issue Multifamily Housing Revenue Bonds, in an amount not to exceed \$13,797,356, to finance the acquisition and new construction of the 46-unit multifamily housing project known as the Oatsie's Place (Project) located at 16015 Sherman Way in Council District 6. The Project will provide 45 units of affordable housing and one manager's unit.

The Sponsor has pledged to comply with all City and HCID bond policies related to the work described in this motion, including but not limited to payment of prevailing wages for labor and project monitoring with HCID.

In accordance with the Tax Equity and Fiscal Responsibility Act of 1982 (TEFRA) and as part of the bond issuance process, HCID conducted the required public hearing on July 15, 2020. Notice of the public hearing was published on July 08, 2020. HCID is required to provide proof to the California Debt Limit Allocation Committee (CDLAC) that a TEFRA hearing has been conducted as part of the application process.

The City is a conduit issuer and is required by federal law to review and approve all projects within its jurisdiction and conduct a public hearing. The bond debt is payable solely from revenues or other funds provided by the Sponsor. The City does not incur liability for repayment of the bonds. To allow the bonds to be incurred in accordance with CDLAC requirements, the Council should approve the minutes of the hearing and adopt the required Resolution (attached).

I THEREFORE MOVE that the City Council consider the attached results of the TEFRA public hearing held on July 15, 2020 for the Oatsie's Place and adopt the attached TEFRA Resolution approving the issuance of bonds in an amount not to exceed \$13,797,356 for the acquisition and new construction of a 46-unit multifamily housing project located at 16015 Sherman Way in Council District 6.
