

Communication from Public

Name: Brentwood Community Council

Date Submitted: 10/05/2020 04:36 PM

Council File No: 20-1098

Comments for Public Posting: The BCC does not support Council File 20-1098 due to the ongoing Community Plan update process by the City of Los Angeles, which includes a street-by-street, neighborhood planning process to reach a consensus on these issues. The City is placing the cart before the horse and not allowing the community to weigh in on a Citywide basis before making sweeping zoning changes.
