Comments for Public Posting: I'm seeing the below filing by paaw committee, and I'm very disappointed in our elected officials. This motion you just posted to privatize our community shelter isn't dated and it certainly was deliberated nor voted on during the last paaw meeting committee. I called in and listened, another secret meeting, secret proposal, secret back room deal. This is a very sneaky way of defrauding the tax payers. Residents that spoke up LOUDLY against this. This isn't just "dirty politics" as usual. You Mr Koretz have taken it to a new level. Congrats!
