**Comments for Public Posting:** I was the district veterinarian for the West Valley Animal Care Center until I retired in 2018. I strongly recommend that this facility be re-opened as a full-service normal shelter to serve the citizens of Los Angeles. The East Valley shelter is not adequate to handle the housing of animals and regulatory functions of the entire San Fernando Valley. Steven Feldman, DVM

**Comments for Public Posting:** Open up the West Valley Animal shelter already! Enough of this madness! We voted for Prop F! This is complete insanity! We need that shelter opened ASAP!
