Comments for Public Posting: I think it is a misuse of funds for animals to use these funds for website development when the shelters could use the money for so many better uses. Beds, food, toys, heating bills for the upcoming winter months. Please do not let this abuse of funds happen.

Comments for Public Posting: Hello - I oppose the use of donations for web site designs, marketing, and public relations. I oppose taking away sources from animals who need help. I oppose Brenda Barnette's plan to limit animal rights. I oppose the inhumane actions by Brenda Barnette. Please consider the animals that are being rejected and not taken care of because Barnette decided to close the West Valley Animal Shelter with no legitimate reason. This shelter is desperately needed on the West side of the valley. Do not discriminate against the American citizens on the west side of the valley. We pay taxes and vote just like everybody else. Please, please do not close West Valley animal shelter as this is the only shelter on the west side.
