**Comments for Public Posting:** Hi! Please be prepared to show a budget breaking down the specific categories of where and how the money for this will be used. And over what period of time it will be used? We can't just assign these arbitrary numbers without backup. These are administrative costs which I typically haven't seen paid for by volunteer donations. It's also a VERY hefty budget for something so administrative. Please come prepared for FULL transparency as to how these funds will be spent.

**Comments for Public Posting:** I oppose any use of donations for this plan. When we hear there is no money to keep a shelter open or there is no money to continue the spay and neuter vouchers I find this request so unnecessary and irrelevant at this time. Donations need to be spent on the animals Has THE GLUE been vetted and by who? There are animals suffering at the shelters because upper management refuses to use any of the STAR FUND. Please investigate this department!!!
