**Comments for Public Posting:** On behalf of Kilroy Realty Corporation, I would like to express our strong support for the reactivation of the Hollywood Cole Recreational Center as a temporary bridge housing facility. Especially during these unprecedented times, it is imperative that we ensure the public health and safety of all Angelenos. The Cole Recreational Center bridge facility will provide safe shelter for our most vulnerable residents. With winter approaching and escalating concerns around the COVID-19 pandemic, many more temporary emergency housing facilities are needed throughout the City. We thank Councilmember Mitch O'Farrell's Office for their continued leadership in addressing the needs of unhoused individuals.
