RE: Nomination of Adele Slaughter as Alternate Rep to the Community Forest Advisory Committee (CFAC) for CD4

Honorable City Council Members,

As Chair of the City of Los Angeles' Community Forest Advisory Committee (CFAC), I'm pleased to accept the nomination of Adele Slaughter as alternate representative to CFAC for Councilmember Nithya Raman in Council District 4.

CFAC was formed in 1993 and is tasked with advocating for the protection and expansion of a healthy and robust tree canopy for the City of Los Angeles and its environs. As members appointed by each Council District and the Mayor's office, our role is to advise City Council and city departments on tree-related policies and help develop programs which protect and expand the city's urban forest for the health and well-being of all Angelenos. We are dedicated to habitat/ecosystem/biodiversity protection and more sustainable land use.

Adele Slaughter has done considerable tree-related work in her Studio City Community working with Studio City Beautification, the Studio City BID and has chaired the Sustainability Committee of the Studio City Neighborhood Council. She attends CFAC regularly and has been a spokesperson for protected native walnut woodlands on Spectrum One.

I welcome Adele Slaughter's participation as a CFAC Alternate.

Sincerely,
