Comments for Public Posting: District 7 constituent here. I am strongly opposed to taking \$8.75 million from the Housing Authority to give to a terrorist organization. We have a housing emergency in this city and LAPD does not need a dime more funding!

Comments for Public Posting: I wholeheartedly disapprove of this motion. Funneling precious housing dollars to the murderous LAPD is unacceptable. LAPD has proven to not only fail to keep Angelenos safe, but actively threaten us, especially Black and Brown Angelenos. To give them more funds for policing under the guise of community involvement is deceitful and goes against the will of the people, who handily passed Measure J, calling for less money on policing and more on actual services. I suggest this council stick with the spirit of the legislation and instead use this money on providing services to underserved communities and housing projects.
