Council File No: 20-1222

Comments for Public Posting: I hope the Council and family can make this deal work. But its not nearly enough to cover what we need in LA. I hope the Council will seriously consider O'Farrells proposal that the city of LA needs its own mental health dept. Especially considering how we are already looking into different models of public safety. Thank you David for your never ending work / support on mental health and poverty issues.
