**Comments for Public Posting:** Stop trying to give the cops more military equipment. We must abolish the police, not make them more militaristic. The police threatened us exercising our right to attend a City Council meeting and give public comment with less lethals. The police is continuously attacking, intimidating, and killing people. Stop giving the police more money and military equipment and abolish the fucking police. Abolish 41.18. 41.18 is killing our unhoused neighbors. Our unhoused neighbors need housing and services, not criminalization and sweeps. Nury, why aren't you attending City Council meetings? You're supposed to be at City Council listening to the people. Partying with Rick Caruso Lite / Karen Bass is not an excuse to skip City Council meetings. Resign and fuck you Nury
