Dear Mike,

Thanks for drafting this ordinance post haste.

The Brentwood Community Council strongly supports Council File 20-1376. *We have seen similar laws lead to increased acceptance of social services in other cities, such as Thousand Oaks, and we look forward to its implementation in the City of Los Angeles.*

As for CD11, *this Motion speaks to the abject failure of \$23M in funding provided over 3 years to a single, County approved homeless services provider resulting in skimpy-to-zero outreach services north of Mar Vista. LAHSA and DPH should not be granting single source RFP's.*

Without the services we are paying for, communities have no option but to seek enforcement of their sidewalks in order to maintain access to public rights of way.

Thank you
Michelle Bisnoff
