Summary: The Northwest San Pedro Neighborhood Council supports the motion to develop a streamlined outdoor dining policy with a mechanism by which multiple restaurants can opt-in to a single permit. The San Pedro Business Improvement District implemented such a program at the beginning of the COVID shut down. Outdoor dining benefits not only the individual restaurants but also the nearby stores as it enlivens our streets and attracts more business into our downtown area. The entire community benefits from the economic development and experiences it provides. We request that this be considered as an urgent matter.
