

## Communication from Public

**Name:** Jaime Nahman

**Date Submitted:** 06/16/2025 07:56 AM

**Council File No:** 20-1536

**Comments for Public Posting:** We are constantly being bombarded by advertisements, bright digital billboards, regular billboards, commercials, etc. Please stop the craziness and distracting signs, and kiosks throughout the city. Let the residents and visitors enjoy the city and its architecture and not distract all by commercial kiosks.
