Comments for Public Posting: Dear CouncilMember: I am writing to express my full support for the rodeo inhumane implements ban in the City of Los Angeles. Rodeos are disturbing events of animal cruelty that inflict tremendous suffering on the animals forced to perform. The City of Los Angeles has always taken a progressive approach to animal welfare and I commend the City Council for approving the motion to draft the Ordinance. Please vote in favor of the final ordinance. Thank you

Comments for Public Posting: I have never attended a rodeo and I never will, it's animal abuse at it's finest, and it should be outlawed, band, in every Country. These poor animals are scared and, thrown around. You think they like that??? I don't. Band rodeos now. And stop abusing these poor animals.

Comments for Public Posting: Please say no to a rodeo! The handling of these animals is painful, scary and abusive! There is no need or excuse for it! It just promotes this uncompassionate, uncaring attitude against all animals! All animals can feel sad, happy, scared and fearful. All feel pain. All want to be loved, cared for and to be with their families and companions as is part of their social structure. We need to stop the cycle of abuse now and give our children a better example in a better world! Thank you for your consideration!

To cause pain and suffering and it's fine as long as we are the ones doing it and it's not being done to us?? This is wrong. It's cruel.....inflicting pain and fear for personal enjoyment is a sick thing. Please put a stop to this.....humans are devolving into thoughtless emotionless monsters

I have seen it first hand many times, especially being raised in a ranch. I have been sickened for years about rodeo abuse Even broke up with my rodeo riding cowboy in college due to this. Please help. We are too civilized for this abuse. Thank you.

Comments for Public Posting: Being a past President of the Utah Team Penning Association (1996-1997) animal welfare was and is top priority. The same applies to all venues in the livestock industry. Our western lifestyle is of the utmost importance to all who value traditions and want to keep it that way. California has always been a leader in the Agriculture community and so it just makes good sense to listen to what we have to say about banning anything that has to do with Rodeo, equine events, team roping, etc. Let us help educate and work together. LONG LIVE COWBOYS!
