Comments for Public Posting: I strongly support L.A. City Council file #20-157 that would ban the use of "inhumane implements" (including electric prods, flank straps, and spurs) at rodeo events held in the city. These implements are actually barbaric and uncivilized; and there is no reasonable argument for using them.

Comments for Public Posting: Please ban the use of all inhumane tools, including but not limited to electric prods, flank straps, and spurs. These tools cause immense suffering to the animals used in rodeos and in actuality are tools of abuse and cruelty. How can you consider the abuse of an animal to be entertainment. You have the power to stop the suffering of these animals. Please, please do not betray them by allowing this abuse to continue.

Comments for Public Posting: Rodeos are animal abuse and exploitation, any government that allows such brutality is as culpable to the abuse as those perpetrating it! “The injuries are not confined to the rodeos themselves. For instance, during practice sessions, a calf may be roped repeatedly, until the calf suffers injuries that require her replacement.”
<https://aldf.org/article/rodeo-facts-the-case-against-rodeos/>
“penalties for violating regulations are not severe enough to deter abuse and are minuscule in comparison with the large rodeo cash prizes at stake.” End all rodeos nothing but pandering to knuckle dragging patrons too stupid or too selfish to care about the abuse

Comments for Public Posting: It is horrific to think that people still treat innocent animals so horribly! Horses, bulls, cows and calves are feeling sentient beings! They feel pain, get scared and love just the way we do. People are cruel and heartless to feel that animals are here just for our so called "entertainment", or to hurt, kill and treat heinously cruel because of human greed!! ALL animals need to be treated with the love and respect that they deserve!! Stop using these barbaric instruments on innocent animals and let's stop the abuse they endure day in and day out!!!! Let all animals live in peace the way God intended them too ??????????

Comments for Public Posting: Rodeos are cruel and an outmoded form of "entertainment." Seeing those poor, unwilling animals being roped and hauled around for human enjoyment is just appalling. It's also traumatizing to children! I speak from experience, as I have never gotten over seeing animals brutalized in circuses and rodeos as a child. They need to be outlawed now and forever!

Comments for Public Posting: I definitely SUPPORT the ban on inhumane implements in rodeos!!! It is past the time that rodeos are finished, or at the very least modified to remove any/all cruel methods or methods that are questionable. It's shameful, barbaric and embarrassing as a US & CA citizen and as a human that this is allowed! Make the change, it's the right thing to do! Animals should never suffer for our entertainment! Ever!

Comments for Public Posting: Just one question to ask yourself: how would YOU like those implements to be used on you by people who you were powerless to stop? OR.... How would you like to see them used on your beloved dog or cat. We are ALL living beings, all mammals, and all feel the same kind of physical pain. I think it's very unfortunate, as a society, that there are those who are essentially okay with seeing pain inflicted on another living creature simply for the benefit of their entertainment. Think about that, JUST FOR SOMEONE'S ENTERTAINMENT and to line someone's pockets. I am embarrassed and ashamed that this is the case in the society that I live in.....

I am sickened and revolted by the appalling cruelty inflicted constantly and incessantly on innocent, defenseless animals! Anyone with a heart or conscience should be too. It is incumbent on us as the "more evolved" species to safeguard and protect those who can't protect themselves. Please pass this motion and don't give in to the rodeo industry which values profit over innocent lives. Thank you.

Comments for Public Posting: No one needs to attend a rodeo. Animals are abused in order to have them perform and do stupid tricks. Parents take their children to see animals disrespected and hurt in an attempt to entertain people. It is harmful to the animals and unhealthy for people, especially for kids to think this is normal.
