Comments for Public Posting: I support the ban on stopping rodeo abuse I have never been to a rodeo I would never go to one The abuse of animals is appalling The animals suffer so much for human entertainment. Some humans enjoy viewing the abuse these poor animals endure. It is not necessary to have these horrific events They also bring their children. The children think this is acceptable behavior. This is a sad thing It could lead to abuse of animals as they grow up. Where is the compassion for these sweet animals. You have the power to put and end to this abuse It all starts with you please sincerely do the right thing Put an end to these rodeos They harm innocent animals for nothing Sincerely Lavaune Guenther have

Comments for Public Posting: Rodeos not only injures and kills many animals bit it exposes children to tolerate animal abuse. Children who attend rodeos witness incredible cruelty when they witness riders and ropers dominate and injure animals. They see riders using spurs, cattle prods and rope. The could begin to think animal abuse is good. Countries like the UK and the Netherlands have totally eliminated rodeos. Many counries are following suit.

Comments for Public Posting: Rodeos would not exist but for abusive practices. For instance, horses wouldn't buck without the use of a "bucking rope", a piece of rope tied around the horse just in front of his back legs. This position ensures that the rope will be pulled tight at the base of his penis. The horse "bucks" in an attempt to get this rope off and stop the pain it causes. I imagine that the "men" who practice this on horses would buck like hell if it was done to them.

Some event or show is no excuse to subject animals of any kind to such cruelty and humiliation. It's not doing you any favors either, the way others see you treating animals like that.

Comments for Public Posting: A rodeo is not a form of entertainment. Animals that are forced to run in fear and experience pain during an event is clearly animal abuse. This barbaric event needs to end. We are better than this!
