This far-overdue Ordinance would ban the use of rodeo torture devices that torment animals into performing, making it nearly impossible to hold a rodeo. The L.A. Rodeo Ordinance is modeled after a similar Ordinance that passed in Pittsburgh, PA, in 1992. Pittsburgh is now considered a "blackout city" for rodeos. Thank you! C. Rising

Please stop this horrible so-called sport and entertainment which benefits no one AND TEACHES NOTHING BUT ABUSE OF ANIMALS AND IT ALSO hurts innocent animals and kills young kids who are forced to learn and do rodeo.

Comments for Public Posting: I write in strong support of the proposed ordinance. Rodeo has nearly NOTHING to do with either agriculture or life on a working ranch. Most of rodeo is bogus from the git-go. REAL working ranch hands never routinely rode bulls, or wrestled steers, or rode bareback, or barrel raced, or practiced calf roping (terrified BABIES!) as a timed event. And they certainly did NOT put flank straps on the bulls and horses, or work them over in the holding chutes with painful "hotshots" kicks, slaps and tail-twisting. Some "sport"! Indeed, rodeo is not a "sport" at all--it's a macho exercise in DOMINATION. And it needs to stop. For the majority of these exploited and abused creatures, the rodeo arena is merely a detour en route to the slaughterhouse. The PRCA has required on-site veterinary care at all its sanctioned events only since 1996, after FIVE animals suffered and died at the 1995 California Rodeo in Salinas. (I was there.) The great majority of rodeos--to their ever-lasting shame--don't even provide this basic care. BE AWARE THAT NEARLY EVERY ANIMAL WELFARE ORGANIZATION IN NORTH AMERICA CONDEMNS RODEO DUE TO ITS INHERENT CRUELTY, AND RIGHTLY SO. See the many YouTube videos as to why, if in doubt. The United Kingdom (England, Scotland, Wales) outlawed all of rodeo back in 1934. Germany and the Netherlands have since followed suit. Can the U.S. be far behind? Kudos to the Los Angeles City Councilmembers for their compassion. May your tribe increase. Season's Greetings. Sincerely, Eric Mills, coordinator ACTION FOR ANIMALS Oakland

Cowards on horseback who cannot control their urge to mutilate animals are under the banner of protection because this is NOT considered cruelty. Ask any vet to does a post mortem on these calves who have their tendons torn, muscles ruptured, ligaments snapped and their necks snapped. What part of that is entertainment??????????? Only some lowlife scumbag without morals would consider this entertaining.....IT IS NOT.....IT IS AN EXCUSE FOR ABUSING ANIMALS. Anyone who attends and anyone who participates should have the same done to them. Maybe then and only then will they realise the pain and suffering they put these animals through.....

Comments for Public Posting: We believe torturing animals for human amusement and performance represents a very regressive society. It is long past time to cease the use of rodeo torturing devices to brutally extract performances from otherwise sentient animals. As native Angelenos, we hope the current City Council will do the right thing and stop this abject animal abuse by enacting restrictions on the use of rodeo torturing devices.

Comments for Public Posting: As more municipalities and countries are recognizing the sentience of animals, activities like circuses and rodeos are on the way out. The very low hanging fruit at this time is to stop the practices that we know cause pain, suffering both physically and emotionally. Your jurisdiction will be seen as leaders to end the use of articles and practices that cause pain and suffering.

Animal abuse has no place in Los Angeles. Please support the L.A. rodeo device ban. The Ordinance would ban the use of rodeo torture devices that torment animals into performing, making it nearly impossible to hold a rodeo. The L.A. Rodeo Ordinance is modeled after a similar Ordinance that passed in Pittsburgh, PA, in 1992. Pittsburgh is now considered a "blackout city" for rodeos. The posted Ordinance reads, "It shall be unlawful for any person to conduct, operate, or participate in a Rodeo at which any animal is induced or encouraged to perform through the use of any practice or technique, or any chemical, mechanical, electrical, manual device, or other similar device or implement, that will cause, or is likely to cause, physical injury, torment, or suffering. Prohibited devices include, but are not limited to, electric prods or shocking devices, flank or bucking straps, wire tie-downs, sharpened or fixed spurs or rowels, and lariats or lassos"

Section 53.39.2 parts A and E are added to the Los Angeles Municipal Code ASAP! The HEALTH and SAFETY of ALL ANIMALS INCLUDED in such Rodeo Activity MUST BE PROTECTED and SECURED so that there are NO INJURIES or other ABUSIVE TREATMENT in ANY FORM upon the ANIMALS used in any RODEO or said activity.
