**Comments for Public Posting:** The Ordinance would ban the use of rodeo torture devices that torment animals into performing, making it nearly impossible to hold a rodeo. The L.A. Rodeo Ordinance is modeled after a similar Ordinance that passed in Pittsburgh, PA, in 1992. Pittsburgh is now considered a "blackout city" for rodeos. The posted Ordinance reads, "It shall be unlawful for any person to conduct, operate, or participate in a Rodeo at which any animal is induced or encouraged to perform through the use of any practice or technique, or any chemical, mechanical, electrical, manual device, or other similar device or implement, that will cause, or is likely to cause, physical injury, torment, or suffering. Prohibited devices include, but are not limited to, electric prods or shocking devices, flank or bucking straps, wire tie-downs, sharpened or fixed spurs or rowels, and lariats or lassos". ## Dispute resolution

**If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.**

## Important information about compensation arrangements

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors - including most individuals and small businesses - are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the combined amount in all the eligible depositors accounts with the bank, including their share of any joint account, and not to each separate account.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please ask at any branch, refer to the FSCS website [www.fscs.org.uk](http://www.fscs.org.uk) or call the FSCS on 020 7741 4100\* or 0800 678 1100. Please note only compensation related queries should be directed to the FSCS.

Barclays Bank PLC may also accept deposits under the following trading names: Barclays, Barclays Bank, Barclaycard, Barclays Business, Barclays Capital, Barclays Commercial, Barclays Corporate, Barclays Direct, Barclays UK & Ireland Private Bank, Ireland Private Bank, Barclays International Private Banking, Barclays Premier, Barclays Private Bank, Barclays Wealth and Woolwich Mortgages. Deposits accepted from an eligible depositor under these trading names are combined for the purposes of deposit compensation from the FSCS. The FSCS is not applicable to deposits held at branches in the Channel Islands or the Isle of Man.

## Important information about going overdrawn without an agreed overdraft limit or exceeding your agreed overdraft limit

Fees and charges can apply if there is not enough money in your account(s) to make a payment and so cause an unauthorised overdraft on your account(s).

### What is an unauthorised overdraft?

An unauthorised overdraft occurs where either:

- a) you go overdrawn on your account without agreeing an overdraft with us first; or
- b) you exceed your agreed overdraft limit.
- c) not every Barclays product will allow you to go overdrawn or exceed your agreed overdraft limit. Please check your terms and conditions for more information.

If you try to make any payment from your account and you don't have the funds available, or if we have reasonable grounds to believe that you won't have sufficient funds on the date that the payment will be made from your account, we will treat this as a request to make, or extend, the use of our unauthorised overdraft facilities. It's within our discretion to process the payment or return it unpaid, for which a fee will be charged.

### What can you do to help avoid or limit unauthorised overdraft fees and charges?

**Get In Touch** If you become aware in advance that payments may take your account into an unauthorised overdraft, please contact us as early as possible so that we can discuss the ways we could help. This will maximise the chances of us being able to:

- a) understand any changes in your business and explore the options available;
- b) consider options for authorised borrowing facilities;
- c) facilitate payments being made;

d) limit the costs associated with returned items or unauthorised borrowing;

e) address any concerns that you may have.

**Register for Text Alerts** Business banking customers can register for our 'Near Limit' Text Alert which is designed to help you avoid going overdrawn (if you don't have an agreed overdraft limit), or exceeding your agreed overdraft limit, by notifying you when your balance falls below a figure you specify. Once you have signed up for this Text Alert, if your account goes into an unauthorised overdraft and you incur a Paid Referral Fee, we'll send you a Paid Referral Fee Text Alert the following working day (Monday - Friday) to let you know. By acting on this information you have the opportunity to clear your unauthorised overdraft and avoid further fees and charges. You can register for Text Alerts through Online Banking, in any of our branches or over the phone. Visit [barclays.co.uk/businessbankingtextalerts](http://barclays.co.uk/businessbankingtextalerts) for more information. Terms and conditions apply.

**Go online for more support** For useful tips to keep on top of your cashflow, helpful downloadable tools, and a simple guide to borrowing, visit [barclays.co.uk/businessfinance](http://barclays.co.uk/businessfinance)

**What fees and charges could you incur?** We process the payment, you will incur a Paid Referral Fee of £30 when the unauthorised overdraft is more than £30 and on each occasion it increases by more than £30. You'll be pre-notified at least 14 days before the fee(s) is applied to your account in line with your charging period. If we decline your request and an item is returned, you will incur an Unpaid Fee of £35 for our service of considering the requested payment and for dealing with the bank the payment would have been sent to. The fee will be applied to your account at the time it is incurred and we will notify you in writing. Interest will be charged at 29.5% per annum on an unauthorised overdraft, calculated on a daily basis. You'll be pre-notified at least 14 days before the interest charges are applied to your account in line with your charging period. We may change our fees and charges from time to time but if we do this, we'll give you at least two months' notice of any such changes.

## Interest

Interest is calculated on the cleared balance of your account at the close of business every day. We'll let you know if interest is calculated on the statement balance rather than the cleared balance. The cleared balance includes only credits and debits that have cleared. Ask your branch or Barclays Business Team for details of clearance times and the dates when we pay or charge interest. The rates of interest shown are current at the time of printing this statement and may have changed during the period of the statement. Unless otherwise stated, rates are quoted on a gross annual basis. Gross is the rate of interest payable before the deduction of income tax. Interest is payable gross to non-tax payers subject to the required certification. If the interest earned on an account is subject to income tax, the entry on your statement will clearly show the amount of tax deducted. If the statement shows that we have applied interest to your account, we'll give you on request details of the rate(s) of interest used and a clear explanation of how the interest was calculated. Details of Barclays interest rates for business customers are available at [barclays.co.uk/businessbanking](http://barclays.co.uk/businessbanking).

### Using your debit card in the UK and abroad

Barclays will charge you a 2.75% Non-Sterling Transaction Fee for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website.

On top of this, if you're getting cash over the counter at a bank abroad (including Barclays), or using an ATM other than a Barclays ATM or an ATM at a Global Alliance member bank, you'll also be charged a 2% Non-Sterling Cash Fee (minimum £1.50, maximum £4.50) and the ATM provider may apply other charges. From 1st January 2013 the Non-Sterling Cash Fee will be £1.50 for each applicable transaction regardless of the amount withdrawn.

VISA converts transactions into sterling using the VISA Exchange Rate on the day it processes the transaction. This date may be different to the day on which the transaction took place. Historic exchange rate information is available on [www.visaeurope.com](http://www.visaeurope.com)

When using your debit card abroad some merchant terminals or ATMs may offer you the choice of paying for your transaction in sterling. If you choose to pay in sterling the 2.75% Non-Sterling Transaction Fee will not apply, but you should always try to find out what the merchant or ATM provider's commission charges are and what exchange rate they are using, as overall it may be more expensive to pay in sterling.

### International Bank Account Number (IBAN) and Bank Identification Code (SWIFTBIC)

Your IBAN and SWIFTBIC are shown on the front of your statement. By using them you could reduce charges when receiving international payments in euros. Find out more at: [business.barclays.co.uk/bb/ibanInformation](http://business.barclays.co.uk/bb/ibanInformation).

### Getting information from Barclays

We send information to Business banking customers with their statements about relevant new offers and products. If you don't get these messages and you'd like to, or if you do and you'd rather you didn't, just call us, or come into a branch. And if you change your mind at any time, just get in touch.

**Comments for Public Posting:** Every single person involved in this torture and abuse should be publicly named and held responsible - meaning charged with animal abuse and torture including any and ALL government officials! This, in these current times, should NEVER be permitted! I am shocked that ANYONE would attend or condone anything like this! And people wonder why others copy this behavior, mutilate and torture all sorts of animals! Shame on ALL of those that have knowledge that this is going on and choose NOT to do anything on the animals behalf! Since when is torture and abuse something anyone would want to see FOR ENTERTAINMENT! Penalties for this, if in my power, would be right up there with felonies and death penalties! ZERO TOLERANCE. And you wonder why kids turn out the way they do?

**Comments for Public Posting:** Humans who treat animals like garbage and treat them like crap don't deserve the light of day themselves even don't deserve to be called human. This is why Its so important to have a worldwide animal rights and protection law so NO animal gets abused and mistreated or dumped ever again and humans get punished for their cruel behavior. The corona virus is humanitys final warning that animals should be treated better, karma will find its way to anyone . Faith in humanity will not be restored as long as humans are cruel to the most innocent creatures on the planet.

**Comments for Public Posting:** This Ordinance would ban the use of rodeo torture devices that torment animals into performing, making it nearly impossible to hold a rodeo. The L.A. Rodeo Ordinance is modeled after a similar Ordinance that passed in Pittsburgh, PA, in 1992. Pittsburgh is now considered a "blackout city" for rodeos. The posted Ordinance reads, "It shall be unlawful for any person to conduct, operate, or participate in a Rodeo at which any animal is induced or encouraged to perform through the use of any practice or technique, or any chemical, mechanical, electrical, manual device, or other similar device or implement, that will cause, or is likely to cause, physical injury, torment, or suffering. Prohibited devices include, but are not limited to, electric prods or shocking devices, flank or bucking straps, wire tie-downs, sharpened or fixed spurs or rowels, and lariats or lassos". Please vote in favor of the L.A. rodeo device ban. There is no excuse for animal abuse.

**Comments for Public Posting:** I support the L.A. Rodeo Device Ban. There is no excuse for animal abuse. The Rodeo is similar to bull fighting in my opinion. The animals don't want to be there, they don't want to be tortured, and the event may end their lives, all because humans want to be entertained. All animals know pain and joy and all want the chance to live their lives as God intended.
