Comments for Public Posting: Please stop this rodeo. Rodeoes are very cruel. They are shows of animal cruelty! They are mentally ill, really. They lack empathy, which is mentally ill. Animals are deliberately hurt into reacting, and are coerced and manhandled, for no acceptable reason. It is sadism. The enjoyment of power and abuse. It is mental illness. It needs treatment, not exploitation.

Comments for Public Posting: Abusing animals is not entertainment. What kind of human being thinks this is alright? It is kind of psychopathic to not understand the pain incurred by these animals. Not to mention fear and sometimes death. Sad that these people do not understand their cruelty with no concern.
